With its central location in the heart of the West End, spacious interior and high tech AV equipment, Galileo's is ideal for a wide range of events including parties, corporate meetings and functions, cocktail parties, product launches, private dinners and even small weddings.

Functions at Galileo's can be stand-alone events or can be held in conjunction with other West End activities such as concerts or shows. Galileo's has an entire floor that can be used for your private event. A dedicated events co-ordinator utilises impeccable organisational skills to attend to every detail of your lunch, dinner, meeting or party, from menu planning to AV rental to writing the place cards for your guests.

Below you will find our excellent value, authentically Tuscan party menu designed by chef Silvano Mazzoli to impress your guests and remain within your budget. Canapé menus are available at £15 and £30 per head. In addition Silvano is happy to design bespoke menus for your event including sit-down lunch or dinner, tasting, canapé or buffet menu options to ensure that your event is as individual as you are.

***Galileo's can serve 120 for a sit-down lunch or dinner and accommodate 60 people for a reception, as well as sectioning off smaller areas of the restaurant for more intimate groups.***
